

Giants Stage A Come Back In Sixth Game

Giants And Yanks Put On Batting Festival--Nationals Are Leading

Yanks Start The Scoring But Are Overhauled By The Slugging Giants--Three Homers Set New Record Final Score Is 8 To 5

New York, N. Y., Oct. 11.—Polo Grounds. Two a great day for homers at the Polo grounds this afternoon. The Giants and Yanks were clinched in mortal combat in the sixth game of the World's Series, and had on their batting clothes. No less than three of the combatants, two of them Giants, leaned the ash against the heretofore for a circuit circling smash, and once more the Giants showed their superiority with the stick, while deep gloom covered the streets of Yankee land, and the Giantkickers slunk to their homes via the alley route.

The Giants won by a score of 8 to 5. After being apparently defeated in the first, when the Yanks flocked in three tallies, the Giants came back

with an equal number in the second, when Meusel and Snyder wrote themselves Annie Oakleys to the Halls of the Immortals by driving homers to the far corners of the stands.

Fewster, who filled Babe Ruth's shoes in left field proved that he could fill 'em to a "T" when in the last half of the frame he emulated the great Bambino and poled 1 to left field for the round trip of the bases amid the applause of the 35,000 fans gathered to witness the fray.

This smash again put the Yanks in the lead and they had apparently had dragged the Giants' goat from concealment under the National dugout.

But the Giants, hitching up their pantaloons, came to the rescue of their ruminating quadrepeds (we have Noah Webster's authority for the phrase) and herded the long haired wonder back into the fold in the fourth when four hits and a pass netted four runs.

Just to make certain of the game they poled in another in the sixth inning.

The First Inning
The Giants are the visiting team today and Burns was first up. Harper was wild and walked him on four wide ones. Baneroff went out on a fly to left field. Frisch fanned. Young out on foul fly to left. No runs, no hits, no errors.

Fewster opened the Yankees' half by walking to first. Peckinpaugh flied out to third. Miller hit to short. Baneroff knocked the ball down but being unable to make a play and both runners were safe. R. Menzel singled to centre and Fewster scored. On the throw to catch Miller at third Menzel went to second. Pipp went out at first. Rowlings covered the bag. Ward then singled to centre, scoring Miller and Menzel. Toney was derrickd by McGraw at this point. Barnes going in to pitch for the Giants. McNally went out on fly to right. Three runs, three hits, no errors.

BANDIT GANG MADE PLANS FOR TRIO OF ROBBERIES

Five of Six Bank Robbers Caught By Police Confess Plots.

(By United Press)
West Chester, Pa., Oct. 11.—Extensive plans to rob banks in three different Pennsylvania cities were made by six alleged bandits, five of whom are in the Chester county jail, according to police here. Five caught yesterday in Phoenixville, are charged with robbing the Spring City, Pa. National Bank of \$12,000.

Confess Plot
They confessed, according to Chief of Police Williams, that they had laid plans to rob banks in Pottsville, and Phoenixville, as well as Spring City.

Chief Williams said the prisoners came to Philadelphia some time ago from Detroit, and laid their plans carefully. The prisoners gave names indicating they were foreigners. More than \$6,000 of the loot was recovered. The sixth man, with the balance of the loot, is said to be in Philadelphia. The five caught have refused to give his name.

CRACKSMEN STEAL TRUCK--CARRY 400 POUND SAFE AWAY

(By United Press)
Pittsburgh, Pa., Oct. 11.—Cracksmen stole a truck belonging to the Roma Bottling Works and hauled away a 400 pound safe, which they later cracked open, and escaped with between \$6,000 and \$7,000 last night.

The battered vault was found many squares away from the company's office.

Unemployment Conference At Odds On Wage Slashers

Eight Major Recommendations Submitted To Conference Today.

By HERBERT WALKER
(United Press Correspondent)
Washington, D. C., Oct. 11.—Eight major recommendations to bring permanent relief to the unemployment and industrial crisis of this country, were approved by committees of the National Unemployment Conference, it was learned today.

Outstanding was the endorsement of limitation of armament and recommendations for lower rail rates.

These recommendations were to be given to the general conference late today. So far the conference has been unable to agree on a recommendation for wage reductions, although a majority of the conference is said to favor such action.

ROAD BOND ISSUE GOES TO HIGHEST BIDDER MONDAY

Mellon Nat'l Bank Is Best Bidder On Big \$225,000 Lot.

Clearfield County road bonds are considered a mighty good investment by financiers throughout the State as the result of the sale of the first issue of the proposed one million dollar good roads debt, authorized by the voters in 1919.

At the present time the County Commissioners have underway road projects for which the county is obligated to the amount of \$225,000. To meet these obligations that amount of bonds were authorized and this morning at 10 o'clock fixed as the time for disposing of same. The sale was made according to sealed bids and when County Controller Thompson and the County Commissioners met at the appointed time they had bids from three different local concerns while several Pittsburgh and Philadelphia concerns had bids in.

The Mellon National Bank was awarded the entire issue they offering par for the bonds with and added premium of \$5265.50.

The bonds are tax free, bear interest at the rate of 5 1-2 per cent and run for twenty-five years.

Following are the bids:
DuBois Nat. Bank, DuBois \$1170.00
Redmond & Co. Phila. \$4830.70
Weils, Dean & Singer, Pittsburgh \$2700.00

Charles Michael a Visitor at County Jail as The Result

Sheriff Gorman and Deputy Sheriff F. L. Gilliland went up to New Liberty, between Oasela and Philadelphia yesterday afternoon with a landlords warrant to dispossess one Charles Michel. Charles had refused to pay his rent and thereby hangs a tale. When the Sheriff arrived Charles was at Woodland on business, and when the officers went into the house to order him out they ran onto a fine 25 gallon still grinding out a fair brand of moonshine. The still was removed and a lot of finished product poured out on the ground.

The officers waited around until the evening train from Woodland arrived and when Charles put in his appearance he was placed under arrest and is now languishing down in the county jail.

SPARK FROM STOVE--IN BRUSH--STARTS MORNING BLAZE

Little Damage Done At Henderson Home--Quick Work Done.

The fire alarm sounded at 10 o'clock this morning for a slight fire at the home of Wallace Henderson on William street. A daughter had cleaned the stove before leaving for school and hung the brush she used in a corner of the coal bin which was built into the rear porch. The brush retained a spark from the stove and was soon ablaze. The fire communicated with the roof of the coal bin and burned its way up into the floor of the upper porch and was eating its way up toward the roof when discovered. J. M. Malloy, of South Fourth street, who was over in that end of town on business, happened along at the time the alarm was given and by quick work ripped up a couple of boards in the porch floor and, with the assistance of several neighbors, had the fire extinguished by the time the firemen arrived. The damage was slight.

Rail Union Chiefs, Armed With Strike Vote, Ready

Plan To Flash Vote In Case of Further Wage Reductions

(By United Press)

Chicago, Ill., Oct. 11.—Armed with a vote showing 80 per cent of the railroad labor in favor of a strike, union leaders today were ready to stand pat against further wage cuts. At the meeting of railroad executives were planning to announce further cuts.

Want To Hold Wages Up
One labor leader today stated that the union would consider themselves victorious if they maintained wages at the present level. This leader, as well as all others, would not allow his name to be used. Conferences among brotherhood chiefs were resumed today.

Executives' Meet Important

Rail executives, at their meet Friday, are expected to recommend to Congress that wage disputes between railroads and their employees be handled by the Interstate Commerce Commission, instead of the United States Railroad Labor Board. This would require amendment of the Transportation Act.

ODDS AND ENDS AND THINGS

"By Skinny"

The following missive was received by the forest ranger of the Pasadena district and read recently at the annual dinner of the Sierra Club in Los Angeles:

"Kind and respected Sir: I see in the paper that a man named J—S—was attacked and set up by a bare whose cubs he was trying to get when the ebe bare came up and stopt him by eatin him up in the mountains near your town. What I want o know is did it kill him or was he only part et up; was he from this place and all about the bare. I don't know but what he is a distant husband of mine. My first husband was of that name and I supposed he was killed in the war, but the name of the man the bare et being the same, I thought it might be him after all and I thought to know if he wasn't killed either in the war or by the bare for I have been married twice since and their ought to be divorce papers got out by him or me if the bare did not eat him all up. It is him you will know him by him having six toes on the left foot. He also sings base and has a spread eagle tattooed on his front chest and an ankor on his right arm which you will know him if the bare did not eat up these parts of him. If alive don't tell him I am married to J—W—for he never liked J—.

Maybe you had better let on as if I am ded but find out all you can about him without him knowing anything what it is for. That is if the bare did not eat him all up. If it did I don't see you can do anything and you needn't take any trouble. My respects to your family and please ancer back.

"P. S.—Was the bare killed. Also was he married again and did he leave any property worth me laying claim to?"—Plywood Panels.

Women, to gain the right to vote, must give up their privilege of quibbling on the question of their age according to a decision of the Allegheny County Common pleas court today, where an appeal by Elizabeth G. Wamock from the action taken by registration officers was discussed.

The officials struck Miss Wamock's name from the record when she gave her age as "approximately 25." She admitted she is aged 35, but maintained she has the privilege of concealing her exact age when registering. The court held the exact age necessary for identification and that the words "approximate age" in the statutes mean persons registering must give their age on their nearest birthday.

The Western woman who recently

named golf as a co-respondent may find a kindred soul in Mrs. Max E. Kloofain of Brooklyn, who has brought suit for separation, naming the family motor car. According to his wife, Kloofain spent so much time tinkering with the machine that he might as well have been married to it. The Supreme Court today granted Mrs. Kloofain \$15 a week alimony pending trial.

The Michigan Supreme Court laid down the rule that a husband is master in his own home and is guilty of law violation if his wife, with his knowledge, transacts illegal business in the home.

The decision affirms a lower court verdict convicting John Sydisloo of Berrien county of violating the prohibition law. Testimony was introduced at the trial to show his wife purchased a still, installed it in the basement of the home and sold the liquor.

The Supreme Court, in ruling Sydisloo was properly held as a defendant in the case, declared, the "husband is the head of the family and has the right at common law to regulate his household, its expenses and visitors and to exercise the general control of the family management."

The net earnings of the Delaware Lackawanna and Western railroad during the past year were the largest in that company's history, according to a statement presented at a recent meeting of the Executive Committee and the board of directors of the corporation.

HOW WOMEN OF MIDDLE AGE

May Escape the Dreaded Sufferings of that Period by Taking Mrs. Block's Advice

Hopkins, Minn.—"During Change of Life I had hot flashes and suffered for two years. I saw

Lydia E. Pinkham's Vegetable Compound advertised in the paper and got good results from taking it. I recommend your medicine to my friends and to my health. You may publish this fact as a testimonial."—Mrs. ROBERT BLOCK, Box 542, Hopkins, Minn.

It has been said that not one woman in a thousand passes this perfectly natural change without experiencing a train of annoying and sometimes painful symptoms. Those dreadful hot flashes, sinking spells, spots before the eyes, dizzy spells, nervousness, are only a few of the symptoms. Every woman at this age should profit by Mrs. Block's experience and try Lydia E. Pinkham's Vegetable Compound.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co., Lynn, Mass., about your health. Your letter will be opened, read and answered by a woman, and held in strict confidence.

FREE—A book, "Scientific Studies of Kitchen Work," giving the story of the world's record time and step savings that the Napanee brings to women. These tests were made under Mr. Harrington Emerson's direction. Mr. Emerson is a member of the Committee on Elimination of Waste in Industry, founded by Mr. Herbert Hoover. Ask us for this important book.

A Statement by Mr. Harrington Emerson

It is clear from our scientific studies that the striking savings of the Napanee Dutch Kitchenet are along three distinct lines:

- 1—Saving of effort, fatigue elimination.
- 2—Saving of time.
- 3—Standardization of work.

The saving of energy, shown by the large reduction in the number of steps, is very striking. By accurate quantitative measurement, three-quarters of this physical exertion is saved. It is reduced to one-quarter.

Harrington Emerson

Noting distance walked as shown by pedometer after getting a meal

Saving 509 Steps Getting Lunch is a Part of the National Demonstration of the Napanee Dutch Kitchenet

Will you save 1,592 wearisome steps every day in getting three meals? Will you end the terrible strain of kitchen work on your health and energy?

You can do it easily. This is the most important announcement ever made to housewives. It is a part of a national demonstration now going on everywhere.

Thousands were spent on scientific time and motion studies of the preparation of meals in an average kitchen. These experiments were made under direction of Mr. Harrington Emerson, foremost efficiency engineer, and two famous Domestic Scientists.

Each meal was prepared first without a Napanee Dutch Kitchenet; then with the use of a Napanee. Stop watches recorded the time of each individual operation in the preparation of each meal. Pedometers registered every step taken.

By these scientific studies we learned the exhausting effort that kitchen work demands. We learned how to prevent it. We made astounding discoveries.

521 steps instead of 1,113

We found it took 1,113 steps to get three simple meals without a Napanee. To cook the same operators only 521 steps to get the same meals in the same kitchen with a Napanee.

Thus 1,592 wearisome steps were saved. That number out of 2,113! It was amazing. We could hardly believe it.

But Mr. Emerson repeated each individual operation in getting each meal with a different operator to check the accuracy of his results. The proof couldn't be doubted.

Such astounding savings are due to the scientific design of the Napanee and its new and better conveniences. Their value is beyond measure to the hosts of women who each day are tired by fatigue.

Come today and see the Napanee's scientific superiorities. Learn all the relief the Napanee's amazing value can give you, as women all over America are learning it.

Asthma Is Dangerous

Folly To Disregard Its Warning

Asthma is not only a disagreeable affliction but a dangerous one. The constant difficult breathing, the choked up air passages, the struggle for air, the loss of rest, combine to force a great strain on the nervous system and heart—often too great a strain to stand.
It is the worst of folly to neglect such a condition or to continually treat with ordinary narcotic medicines, drugs, inhalers, smokes, or douches with merely gives temporary relief from the choking paroxysms and do not relieve or correct the real cause of the trouble. Instead get from Blooms Drug Store, or any druggist a small bottle of Oxidaze (essential oil tablets) and take one at short intervals whenever distress is felt and one on going to bed. Instant relief is usually felt and in addition the effect of consistent treatment is to gradually bring about a greatly improved health condition as the symptoms of Asthma disappear forever. Oxidaze is the successful prescription of a Worcester, Mass physician and its treatment of Asthma, even in the very worst forms has probably never been excelled.
Blooms Drug Store sell it and patients find it a safe pleasant and inexpensive treatment to use.

HAVE YOU A STROLLER TO SELL?

A few days ago one of our patrons advertised for a stroller and in entering his name the admin put down the wrong fellow who, by the way, is a snide man. All inquiries were referred to the unattached one and he has had a merry time explaining. We, however, vouch for his innocence. Now, if you are one of those who have a stroller for sale, call The Progress at once, giving us your name and address and it will be turned over to the proper party.

"Oil that is oil—Atlantic Medium"

ANY dealer will tell you that two "medium" oils of the same color and flow may develop vastly different characters under operating conditions. Depending on what they contain and how they were refined.

Ask for "ATLANTIC MEDIUM" and you'll get an oil that remains "medium." An oil composed of the highest heat-resisting hydrocarbons the crude oil contains.

Atlantic Medium's body-holding qualities are as extraordinary as its uniformity and purity. It lubricates! It sticks to its post of duty under the severest attacks of heat, friction and impact.

Atlantic Medium is made by refiners well rooted in the science of lubrication. By an organization recognized as an authority on oils long before the automobile cut its milk-teeth.

THE WORKING BOYS' OPPORTUNITY

In another column will be found an announcement of a night school to be started at the High School Building. This night school gives to the boy and girl who are working an opportunity to progress with their work and fit themselves for better positions with their employers. Every young man and young woman who has not had the benefit of an education should go to the High School tonight and enroll for one of the courses offered. While there is a commercial course offered, there is also available for all who wish, a course that will fit their need.

SHIPPING BOARD ORDERS TENANTS OUT OF HOUSES

(By United Press)
Loraine, Ohio, Oct. 11.—One hundred tenants of Shipping Board houses were ordered today to move within three days. They are behind with their rent, out of jobs and have no place to move to, according to Mayor William S. Crall, who has wired to President Harding asking a stay of action.
A mass meeting will be held tonight and a formal protest sent to the President.

GOV. SMALL TO BE TRIED IN LAKE COUNTY COURTS

(By United Press)
Springfield, Ill., Oct. 11.—Governor Len Small, of Illinois, will be tried on charges of juggling millions of Illinois state funds at Waukegan, Lake county, Illinois, it was officially announced today.
Formal arguments for a change in venue were to be heard before Judge Frank Burton today, but before the argument started, attorneys for Governor Small said they had agreed with the petition of States Attorney Mortimer that trial would be held in Lake county courts.

TOO MUCH FOR US

Madera, Pa., October 10, 1921.
The Clearfield Progress, Clearfield, Pa.
Gentlemen:—
I should like the following question answered through the columns of your paper:
"If it take the combined efforts of Philipsburg and Clearfield merchants, the State Police, a Judge and the father of one sixteen year old boy, to arrest and place said boy in jail, how many persons will it take to arrest and place in jail hotel-keepers who violate the liquor laws daily, and bootleggers who keep in jail a man convicted of murder after he had been placed there?"
F. BLANCHE CORNELLY.

STATE TROOPERS PREPARE FOR BIG "ROUND-UP"

(By United Press)

Harrisburg, Pa., Oct. 11.—The best horsemen in the Pennsylvania State Police force were going through their last phase of training here today in preparation for the dangerous feats they will perform in the first annual tournament Columbus Day.

The police "round-up" is expected to prove the greatest display of horsemanship ever staged in the east. The famous round-ups of the west, which attract the hardest riding horsemen in the world, are no more spectacular than will be this meet, in which state police troopers from all five troops will compete.

Among Pennsylvania troopers entered in the various events will be a number of former regular army cavalrymen, including several former members of Roosevelt's Rough Riders.

DR. G. W. YOUNG TO SPEAK TONIGHT

Dr. George W. Young, statesman, preacher and reformer, who is styled the "Old Man Eloquent," of Ken-ruck, will speak in the Lutheran church on the evening of October 11th. His subject will be "National

And World Wide Prohibition—The Duty of the Hour."

Dr. Young comes to Clearfield under the auspices of the Anti-Saloon League of America, and all who are interested in Law Observance and World Prohibition, should attend this lecture.

Dr. Young will tell you that the adoption of the Eighteenth Amendment does not mean the fight is over as some have thoughtlessly imagined. "The Amendment does not give Prohibition. It simply gives the people the opportunity to secure it. It must not be forgotten the champions of the liquor traffic are characteristically lawless men—they regard neither the laws of God nor man. You have noticed the National Government, realizing the lawless character of the traffickers in liquor, has made special provision to secure the law's enforcement. Yet, without the constant and united backing of the law-abiding citizens of the nation the law will be successfully defied in spite of all Federal Prohibition Commissioner Haynes can do," says Dr. Young.

American people to the significance of that fact and to point out for them the necessity for eternal vigilance if they wish to keep the Demon Rum out of reach of our boys and girls.

The admission to the lecture will be free and everybody will profit from hearing Dr. Young.

THIS MAN'S NERVOUSNESS AND STOMACH ILLS BANISHED

W. H. Howd Reports Rich Blessings Conferred by Nerv-Worth.

"I was unable to get a good night's rest on account of my nervous condition," said Mr. Howd, who resides at 217 Mason S., Flint Mich. "and I have found Nerv-Worth very beneficial. I have taken 2 bottles and I am greatly improved. I also recommended Nerv-Worth to a neighbor, who was in bed with a nervous headache. She had taken only part of a bottle, and yet is able to be up and around the house. I for one can cheerfully recommend Nerv-Worth to those who are afflicted with nervous troubles." In this case Nerv-

Worth went straight to the source of the trouble and results were speedy, and this is the custom with Nerv-Worth. Quick results and entire satisfaction have made Nerv-Worth famous. If you suffer from nervous afflictions or their attending ills, such as stomach trouble, or run-down condition, give Nerv-Worth a trial. Stewart Drug Co. sells Nerv-Worth in his city, and it is kept in stock by all leading druggists everywhere, all of whom are authorized to refund your money if you are not pleased after you have taken your first bottle. Nerv-Worth is now 1.00 per bottle.

PIMPLY? WELL, DON'T BE

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

"Cleanse the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's no sickness or pain after taking them."

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with a "dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. 15c and 30c.
